## EDUCATION

---

### VIT Bhopal University

B. Tech CSE (Cyber Security and Digital Forensics) | CGPA: 8.75

(January 2026 – Present)

## SKILLS

---

- Familiar with HTML, CSS, Machine Learning.
- Familiar with Java, Python, Java script.

## PROJECTS

---

### Electric Vehicle Charging System Malware Analysis

- Built a Machine Learning based system for analyzing the dataset of CICEVSE (HPC and kernel events) for detection of malware through charging system
- Performed data preprocessing, feature selection, t-SNE- visualization, and trained Machine Learning models and classifiers.
- Applied Python for programming and used Ada boost, SVM, XG Boost, GBM and Stacking classifier

### Hand Gesture Recognition and Prediction for Accessible Communication

- Developed a real-time AI-based ASL to English text translation system using MediaPipe, OpenCV, TensorFlow, and Flask.
- Implemented hand landmark extraction, preprocessing, and deep learning models to accurately recognize 20–30 ASL gestures under real-world conditions.
- Delivered a low-latency, cross-platform assistive solution emphasizing accessibility and inclusion for the Deaf and Hard-of-Hearing (DHH) community.

## CERTIFICATION

---

### IIoT Markets and Security certification by Coursera (University of Colorado Boulder)

- basics of Industrial IoT real-time OS security, network and wireless comm. protocols

### Blockchains and its Applications by NPTEL

- in depth knowledge and hands on practice of cryptographic methods and security methods

### AWS Technical Essentials – Amazon Web Services (AWS)

- Fundamentals of AWS cloud services and infrastructure

## EXTRA-CURRICULARS AND ACHIEVEMENTS

---

### ACHIEVEMENTS

- Engaged with community discussions during the **100 Days of Code** project, sharing insights after completing each milestone; cultivated collaborative learning habits that enhanced overall understanding among peers involved in similar initiatives.

### EXTRACURRICULAR

- **Lead of Technical Team, Pahadi Club – VIT Bhopal** Leading the technical team of the Pahadi club, promoting the culture and handling technical provisions and issues in all the events done in the college.
- **National Service Scheme - VIT Bhopal University** – Participated in the plantation camp where the team successfully planted 10,000 trees, contributing to environmental sustainability and community awareness.

## ADDITIONAL INFORMATION

---

- **Hobbies:** Solving problems, Gaming, Reading novels.
- **Languages:** English, Hindi.

## CODING PROFILE

---
